# National Indigenous Peoples Day

June 21 is National Indigenous Peoples Day. This occasion is an opportunity to celebrate the diverse histories, traditions, and cultures of Indigenous Peoples.

Bow Valley College is committed to a reconciled Canada where all Indigenous Peoples are respected, valued, and included. As an ally institution, the College strives to create a campus environment that fosters belonging and well-being.

We acknowledge the valued contributions and many achievements of Indigenous Peoples with whom we are honoured to work. We thank the Elders and Knowledge Keepers and the Indigenous leaders, families, and employees who strengthen our communities and support our collective success. We celebrate the Indigenous students who have chosen the College for their studies. As we continue our journey toward reconciliation together, we extend our gratitude for your many contributions.

We renew our commitment, as an organization and as individuals, to working in the spirit of reconciliation, seeking to earn partnership, and embracing ways to learn the path of allyship. We urge all participants in our Spring 2023 Convocation ceremonies to join us on this journey. Enhance your awareness of the rich and unique traditions of Indigenous Peoples, learn about their histories and cultures, and contribute personal and collective efforts toward reconciliation.

Our commitment to reconciliation extends well beyond June 21. It is part of our mission, as we work to challenge our thinking and include all learners. We look forward to the meaningful steps ahead.

## **Dilshad Velji** **Bow Valley College Alumna** **Hospital Unit Clerk Program, 1993**

Dilshad was born in Ndanda, a village in Southern Tanzania, and moved to Dar es Salaam as a teen. After completing college, she worked as an office assistant at an embassy, when she met her husband, Nazmu, who ran a tailoring business.

The couple had two sons and their business was thriving when Dilshad had to undergo urgent back surgery. While she recovered, she learned about career opportunities in health care. In 1988, the family moved to Calgary, arriving during a year of Olympics excitement.

Dilshad upgraded her education by taking the Hospital Unit Clerk Program at Alberta Vocational College (now Bow Valley College). She was hired at the Calgary General Hospital in 1993 and later accepted a position at Peter Lougheed Centre. Almost 30 years later, she continues to thrive in Unit 44, where she is loved by colleagues and patients. She is a shining example of what is possible with a strong will, dedication, and kindness.

# Governor General's Academic Medal Recipient

## **Colin From** **Software Development Diploma, School of Technology**

Colin is being awarded the Governor General's Academic Medal for achieving the highest overall average upon graduation from a diploma program. Since 1873, the Governor General's Academic Medals have recognized the outstanding scholastic achievements of students in Canada.

Before enrolling at Bow Valley College, Colin worked as an apprentice steamfitter for two years. His interest in software development brought him to the College. His goal is to work in game development.

Colin's favourite thing about studying at the College was the instructors and other employees. He says the people are what make it "such a wonderful and special place."

"At Bow Valley College, the people you meet, the knowledge you gain, and the experiences you have will be something that you hold onto and cherish for the rest of your life," he says.

# Valedictorians

## **Asma Parveen** **Academic English II, School of Global Access**

Asma has a master's degree in international languages from Pakistan, and is a single mother of a three-year-old boy. She has over eight years of experience in various fields, including public relations, working with non-profits and the United Nations, and being a political activist and human rights advocate. She came to Bow Valley College to improve her English and study in a diverse environment.

Asma enjoyed the helpful and friendly teachers and employees at the College and says the awards she received helped her focus on her studies.

Her dream is to be a social worker. She is also considering pursuing accounting.

"Keep working hard, and it will pay you back," she says. "Trust in yourself. Believe me: you will succeed."

## **Lauren Kruger** **Foundation in Entertainment Arts, Centre for Entertainment Arts**

Lauren was born and raised in Calgary and has a Bachelor of Music from the University of Calgary.

Her pursuit of an interesting career and a job in the entertainment arts drew her to the Bow Valley College Centre for Entertainment Arts. The highlights of her program include learning from industry professionals and experts, and learning programs and software that are currently being used in the industry.

Lauren's career aspirations are to work for a major animation or gaming studio and to have her name in the credits of a major film or video game.

"My time spent learning from industry professionals gave me insight into what I can look forward to after I finish my advanced program, and I'm excited for what lies ahead," she says.

## **Kurt Blind/li yi kit tah pii (Courageous Person) Addiction Studies – Aboriginal Focus Diploma School of Community Studies**

Kurt chose his program to reconnect with his Indigenous roots and culture and learn about addiction and how he could help others heal from substance use disorder.

His studies informed his own journey of long-term recovery and healing.

“As a Nehiyaw (Cree), there were several courses that helped me understand the struggle and resiliency of my people,” he says. “These teachings are something I will share as I go forward in helping others heal from trauma and addiction.”

Volunteering for the Iniikokaan Centre and connecting with students and employees there enhanced his learning experience.

Kurt is a Client Support Partner at Sunrise Healing Lodge and volunteers with BeTheChangeYYC.

“Bow Valley College changed my life,” Kurt says. “I walked through the front doors unsure of myself and uncertain if I could meet the demands of being a mature student. I am proud to say that after two years at this College, I walk out with higher self-esteem and confidence in my abilities to be a role model to others searching for new opportunities. Miigwech.”

**Amy Fazackerley**  
**Practical Nursing, School of Health and Wellness**

Originally from Ontario, Amy ventured to Vancouver in 2005 on a sports scholarship for her post-secondary education. Later, she moved to Saskatchewan and earned a Bachelor of Science in Agriculture with a major in Animal Science. Her passion for sports and adventure emerged from her upbringing on a horse farm and her dedicated 15-year involvement in wrestling.

In 2019, Amy and her fiancé sold their belongings and embarked on a six-month journey across North America. When the pandemic disrupted their plans, she embraced the tranquility of the family farm and took the opportunity to reflect on potential career paths.

Inspired by the fulfillment she experienced while volunteering at a camp for children affected by cancer since 2011, and motivated by the profound impact she could make, Amy resolved to pursue nursing. She values the meaningful connections she has formed throughout her academic journey.

“Cherish every moment, embrace every opportunity, and never underestimate the power of meeting new people,” she says.

# Welcome to the Alumni Community

## **Beatriz Hernandez, Kitchen and Bath Design Post-Diploma Certificate, 2022**

After obtaining a degree in architecture in her home country of Dominican Republic, Bow Valley College alumna Beatriz Hernandez weighed her options when choosing a new home and career path.

“I had to look for something that was going to add to my career in general,” says Beatriz.

Her search led her to the Kitchen and Bath Design Post-Diploma Certificate program, and Beatriz credits the program’s hands-on learning opportunities and class assignments that mimic real-world work situations as the key to her success.

During her time at the College, Beatriz won the prestigious National Kitchen and Bath Association Student Design Competition for a kitchen remodel that stood out amongst dozens of applicants in Canada and the United States.

Beatriz’s job-ready skills and passion for design helped turn her internship into a full-time job, where she hones her skills and contributes to one of Calgary’s top interior design firms.
